**SPECIAL NOTICE TO "OFF ROADERS"**

"CAUTION" ..... Many of the routes we travel are roads and trails that were constructed by and paid for by the forest/logging industries.

These routes are active so always use extreme caution in the vicinity of these operations.

Heavy equipment and logging trucks have limited visibility. It is our responsibility to "SHARE THE ROAD" and give them and other highway vehicles complete "Right of Way"

It is a privilege to use these many miles of roads and trails for recreational enjoyment... PLEASE RIDE SAFE!

We would like to offer special thanks to the U.S. Forest Service, St. Louis County, the MN DNR and the Potlatch Corporation-Mopus Corporation for providing these opportunities.

Welcome to Minnesota's Historic IRON RANGE!

From Hibbing in the west to the Hoyt Lakes area and beyond in the east, Minnesota's Mesabi Iron Range offers a unique landscape for riders of all kinds. Our hills, valleys and many lakes were formed by iron mining over the course of 140 years. Six active mines operate in this region today, and your travels will take you near many of them.

When you're here, you'll find ATV-friendly towns, campgrounds and lodging properties across our region, with easy access to dining and trails. We invite you to explore great attractions, like Hull Rust Mine View in Hibbing, where you'll observe active mining. Here, iron is formed into taconite pellets and travels by train to Lake Superior and is shipped to steel plants. We are the #1 source for domestic steel in the nation, and darn proud of it!

You'll also want to visit the US Hockey Hall of Fame Museum, Minnesota Discovery Center, the Minnesota Museum of Mining, Virginia Heritage Museum, Eli Wirtanen Farm, Vince Shute Wildlife Sanctuary and many other fun and historic sites and attractions.

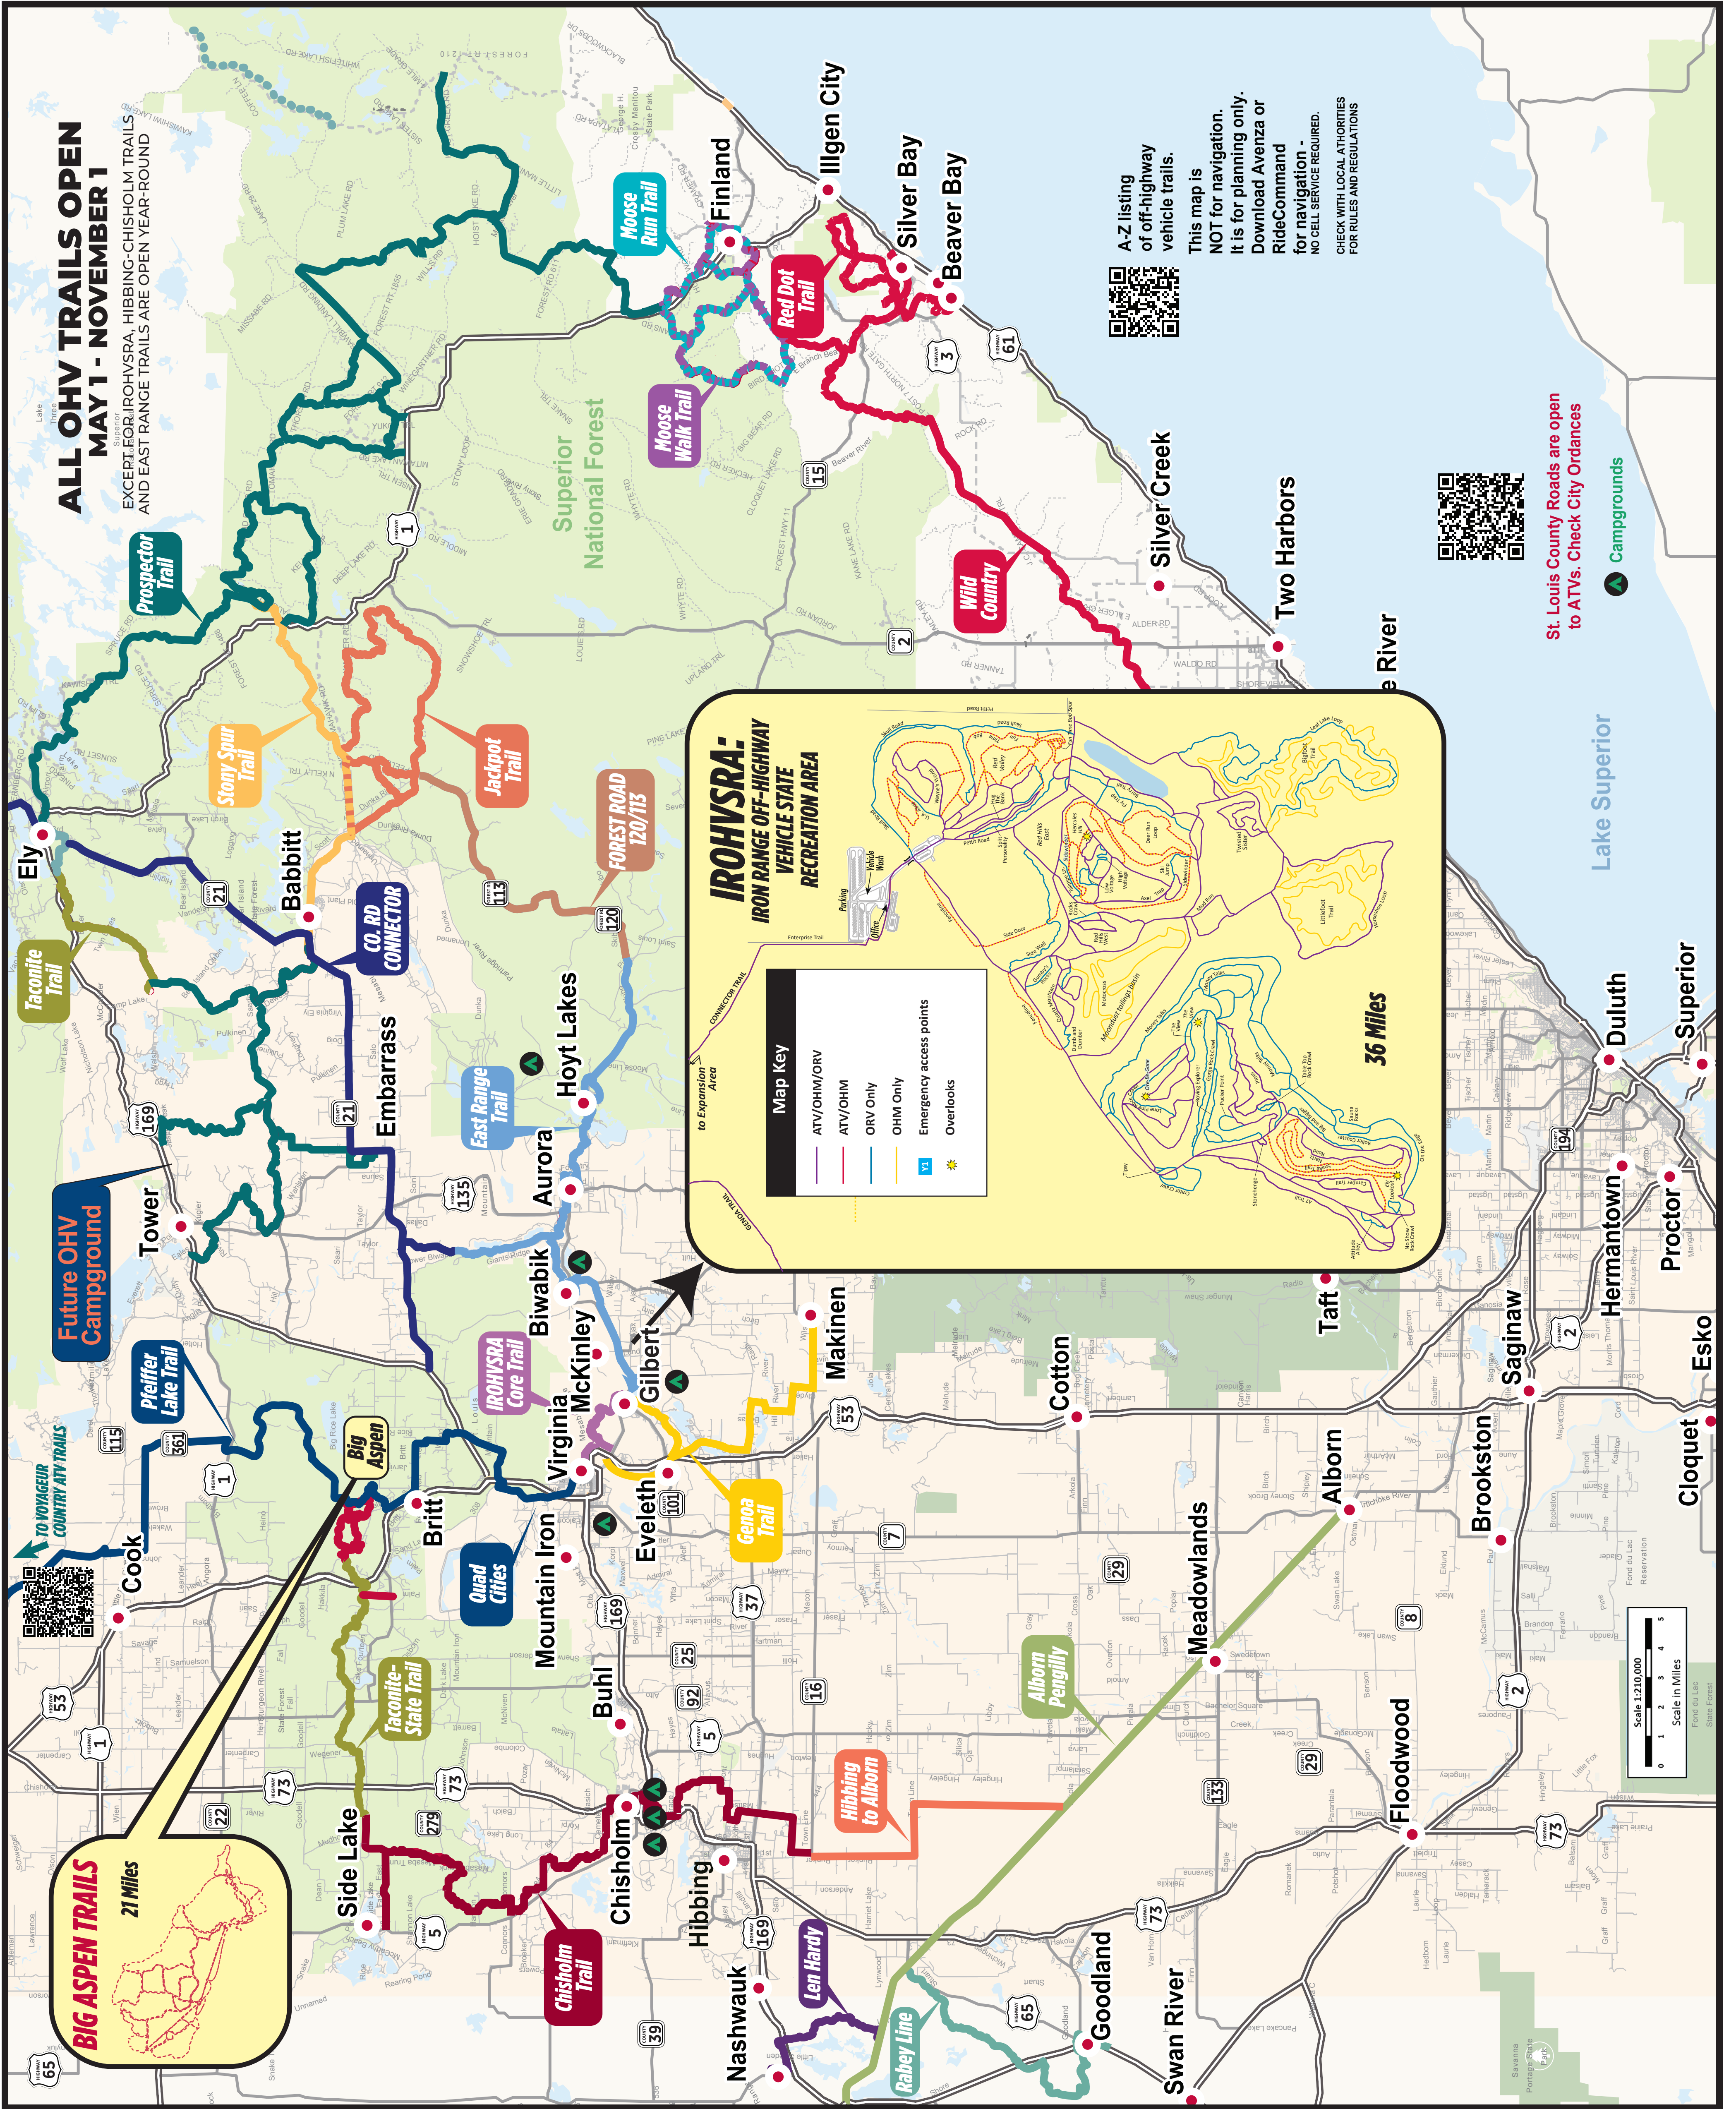

Learn all about our area at ironrange.org, and don't be afraid to contact us for help planning your trip. Request maps and other information on our website, and call 218-749-8161 for planning assistance.

We look forward to seeing you on the trails!
